July

'24

188-178
27TH WEEK

SATURDAY

Ex: "A person does not necessarily belong to the class of poets."

08.00 → Some are poets, some are not. There's no necessity here.

09.00 This allows for the possibility that A might belong to B,
it just isn't necessarily so.
10.00

11.00
